- IV. Committee Reports
 - A. Young Authors: (Rachel Price) Looking for suggestions on what to do to honor the kids/winners? Jenny volunteered to help pick the winners (except for her son's grade) and then possibly porch delivery or gift card for the winners of each grade?
 - B. 4th grade dance: (Rachel Price) Considering postponing the dance until sometime this summer, pending the covid restrictions. Mr. Yates recommended using the Middle school gym if available since the Farmingdale gym is not air conditioned.
 - C. Technology: Do we use some money to allow teachers to print things for remote learning? Michelle was going to reach out to tell the teachers how much they have available to use. Do we use the remaining technology budget for remote learning opportunities? Other option includes rolling money over to the next year?
 - D. Carnival: Both of the co-chairs for next year are out because they are pregnant and going to be having a baby. Trying to find people that may be interested in taking it over. Date is not picked yet for the fall – may decide at our May meeting.
 - E. Fall Fundraiser: Will need a new chair because Liz Reeves is done. We will likely rebook same company from last year.
 - F. School supply kits: Elizabeth Johnson took care of this last year with registration. Nothing for PTC to do with this.
 - G. Teacher appreciation: Trying to decide on teacher appreciation gift for the teachers. Possibly Kennedy Sue gift cards or gift bags for the females and Dicks/Scheels gift cards for Mr. Greer and Mr. Miles. We could use the money from the teacher supply/teacher luncheon in order to give them a nice gift. Budget around \$2000 for these gifts.
- V. New Business

- A. Budget Fundraising for 2020-2021 – breakdown monthly what we are doing. What do we need to do vs what do we want to do. Will form a committee (Lauren and Michelle) that puts this together - knows what is coming and when.
